**Promotion in Motion
 Erasmus+ Project**

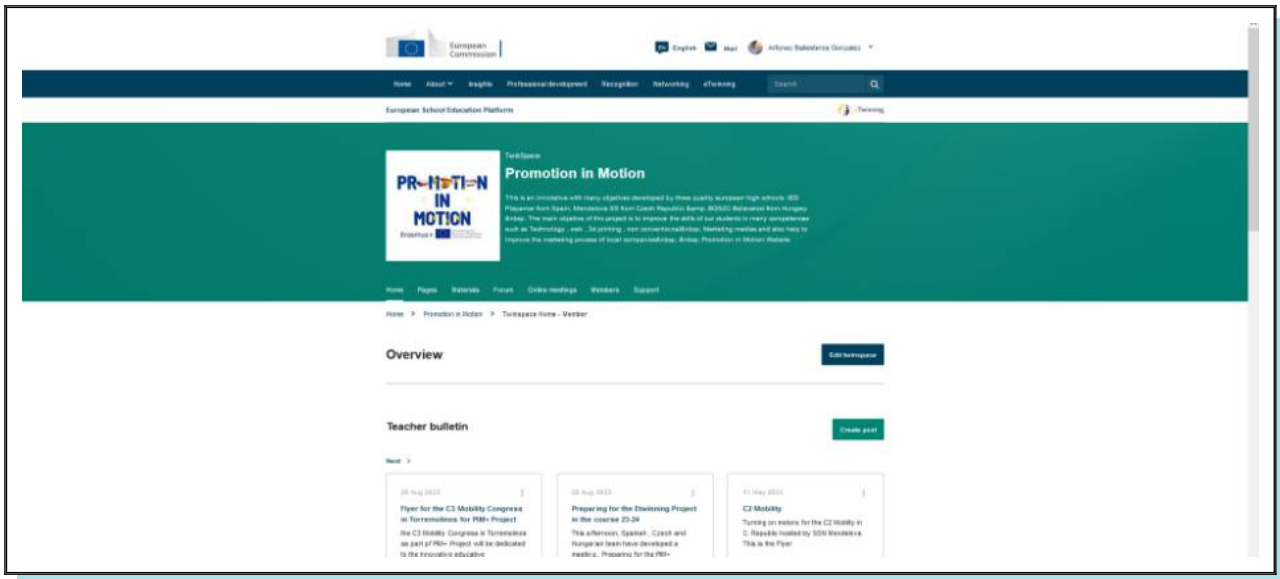

1° What is eTwinning?

- **eTwinning is the community for schools in Europe.**
- **eTwinning offers a platform for Students & School staff** (teachers, head teachers, librarians, etc.), working in a school in one of the European countries involved, to communicate, collaborate, develop projects, share and, in short, feel and be part of the most exciting learning community in Europe.
- eTwinning **promotes school collaboration** in Europe through the use of Information and Communication Technologies (ICT) by providing support, tools and services for schools. eTwinning also offers opportunities for free and continuing online professional development for educators.
- **eTwinning is funded by Erasmus+**, the European Commission's programme for Education, Training, Youth and Sport. eTwinning is coordinated by the Central Support Service, operated by European Schoolnet, and supported at national level by 37 National Support Services.
- **Best projects are awarded national and European Quality Labels**, or [receive the highest recognition by becoming one of the eTwinning Prize winners](#). Since 2005, eTwinning has engaged thousands of school staff, counting today (in November 2016) over 400,000 active members and over 50,000 ongoing projects!
